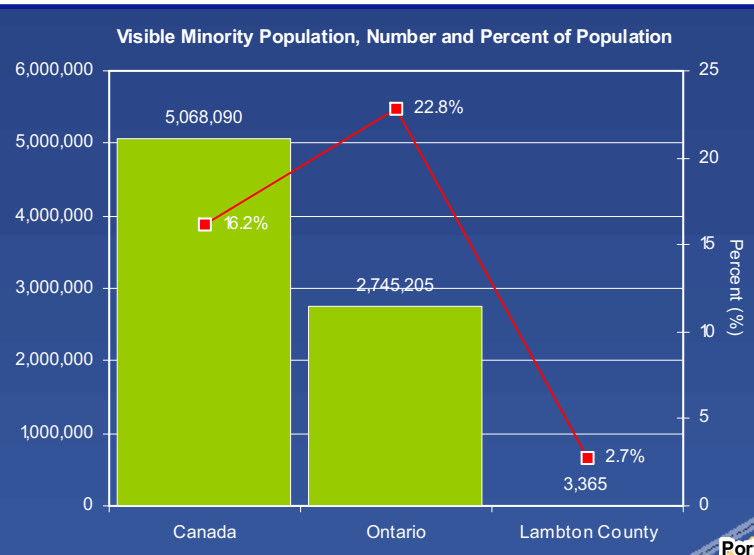
Atlas of LAMBTON COUNTY

2006 Estimated Visible Minority Population

How to Interpret Information Presented on this Page?

Chart on the Right:
This chart provides a comparison of the visible minority population of Lambton County in 2006 with the respective national and provincial populations. A comparison is also given of the visible minority percentage of the overall population on all three scales.

Map Below:
This map reveals the percentage of visible minorities of the overall population in each lower-tier municipality in Lambton County in 2006. The map legend, left of the map, describes what each of the colors in the map indicate, which correspond to the various percentage magnitudes.



? The Employment Equity Act defines visible minorities as 'persons, other than Aboriginal peoples, who are non-Caucasian in race or non-white in colour.'
